Holy God, We Praise Your Name

Capo 1  E       B       E   C#m   A       B

1. Ho-ly God, we praise your name, Lord of all, we bow before you.
2. Hark! The glad celestial song, Angel choirs above are raising;
3. Blest Redeemer, virgin's Son, Over death his victory claim-ing,
4. Holy Father, holy Son, Holy Spirit, three we name you;

E       B       E   C#m   A       B

All on earth your scepter claim; All in heaven above adore you.
Prophets martyrs join the throng, In unceasing chorus praising,
Now ascended to his throne, Judge and king, his grace proclaim-ing,
Though in essence only one, Undivided God we claim you,

B       F#m    C#m   B   C#m   E       A       B       E

In-finite your vast domain, Ever-lasting is your reign.
With the Church in one accord: Holy, holy, holy Lord!
O-pens heaven to all his own. Praise and thanks to God alone!
Then, adoring, bend the knee And confess the mystery.
