

Ethnic Resources for Organ (a selected list)

WELS National Conference on Worship, Music, and the Arts / Carthage College, July 1999

Mr. Wold teaches music history and organ at Hood College, Frederick, MD and music theory, improvisation, and hymnology at Lebanon Valley College in Annville, PA. He is a prolific composer of organ, choral, and congregational music, and he is the author of *Tune My Heart to Sing*, a book of devotions for church choirs. His music is published by nine publishers in the U.S. and Australia.

--------------------	----------------	-----------------	------

In recent years American Christians have begun using music composed by Christians from parts of the world other than Europe and America. A number of composers, including some from ethnic minorities, have written organ music for this growing repertoire. At this workshop you will hear melodies from various cultures as well as Gospel songs and spirituals arranged for organ.

Native American
